**ANC 3F RESOLUTION RECOMMENDING REVISION TO THE RFP FOR THE  
TENLEY-FRIENDSHIP LIBRARY/JANNEY SCHOOL SITE TO SHOW THE  
CORRECT SQUARE FOOTAGE OF THE TENLEY LIBRARY LOT**

Advisory Neighborhood Commission 3F  
North Cleveland Park, Forest Hills, & Tenleytown

Washington, D.C. 20008-2322

**WHEREAS**, the Deputy Mayor for Planning and Economic Development has circulated for community comment a draft Request for Proposals (RFP) to develop the Tenley-Friendship Library/Janney School site; and

**WHEREAS**, in the description of the site on page 3, the library lot is erroneously listed as “18,000 square feet”, but in reality it is 15,051.45 square feet, as shown in the plat of the lot recorded on February 2, 1956, in Book 137, page 75 at the D.C. Surveyor’s Office;

**THEREFORE BE IT RESOLVED THAT:** ANC 3F strongly recommends that the Deputy Mayor for Planning and Economic Development correct the RFP to state that the library site “occupies approximately 15,000 square feet” and to include a copy of the plat in the RFP.

Approved by a vote of 7-0-0 at a duly noticed public meeting of ANC 3F on October 15, 2007, with a quorum present (a quorum being 4).
